HEALTHY
TURMERIC
may ease
foot pain

FOR TALKING
AND TALKING

I read that turmeric could help relieve muscle pain, so I got talking to my regular doctor about it. He said it was worth a try. The pain has eased, and I'm sure that the turmeric is what has helped me. I'm sure that it's not just a placebo effect, but a real relief. I'm sure that it's not just a placebo effect, but a real relief. I'm sure that it's not just a placebo effect, but a real relief.

After five weeks, I got my share of pain, and I'm sure that it's not just a placebo effect, but a real relief. I'm sure that it's not just a placebo effect, but a real relief. I'm sure that it's not just a placebo effect, but a real relief.
